**Filed Under Seal**

**GOVERNMENT'S SENTENCING WITNESS LIST**

In its November 16, 2020 order, (dkt. 1576), the Court ordered the government to respond prior to sentencing to numerous filings from the remaining defendants concerning objections to the Presentence Reports or arguments in mitigation. The government has responded to several of those filings and continues to diligently work through the remaining documents. To the extent the remaining filings raise factual issues, the government will attempt to address those issues with trial testimony or exhibits, the broader discovery in the case, or an affidavit from an agent. If it is unable to do so, the government designates **Special Agent David Keagy** as its sole witness for sentencing. The government anticipates any testimony from Agent Keagy being discrete

and driven largely by any questions that the Court cannot resolve after reviewing the government's written responses.

Respectfully submitted,

ERIN NEALY COX  
United States Attorney
